Defendants represent that two documents submitted to the court contain sensitive information and should be sealed. Specifically, Defendants request that the court seal exhibits 1-F and 1-G in their appendix (ECF No. 60) supporting their response (ECF No. 58) to Plaintiff's motion (ECF No. 53) to dismiss. Defendants represent that exhibit 1-F contains confidential medical information of a non-party, and that exhibit 1-G contains financial information pertaining to Plaintiff Allstate Insurance Company.

Here, Defendants represent that the exhibits to their appendix (ECF No. 60) contain a non-

1 party's medical records, and financial records of an opposing party. Upon review, the court agrees
2 that the respective parties' privacy interests outweigh the general presumption of public disclosure of
3 court documents.

4 IT IS THEREFORE ORDERED that Defendants' motion (ECF No. 61) for leave to file
5 under seal is GRANTED. The Clerk must SEAL exhibits 1-F and 1-G of ECF No. 60.
